

# Are you Interested in Participating in an Area Advisory Committee?

The MTA will soon be forming Area Advisory Committees (AAC) for the CCT corridor. Responsibilities of the AAC are to:

- ◆ Meet regularly with MTA to identify issues and discuss possible solutions
- ◆ Offer ideas on design elements (stations, vehicles, transit operations, etc.)
- ◆ Review MTA work and offer opinions and suggestions
- ◆ Keep the community informed of the project by sharing progress

Meetings will likely occur on a quarterly basis beginning in early 2014. Self-nomination forms are available tonight and on the project website. If you would like to be considered for an AAC, please submit a completed nomination form tonight or mail it to the address on the form.
