

# CCT Area Advisory Committee Member Self Nomination Form

By establishing Area Advisory Committees (AACs), the Maryland Transit Administration (MTA) will provide community stakeholders (area residents, businesses, churches, community organizations and institutions) the opportunity to participate in the process of designing how the CCT and its 14 proposed BRT stations will integrate into their communities. The MTA encourages interested community stakeholders to nominate themselves to serve on a committee in their area of interest.

To nominate yourself to serve on a CCT Area Advisory Committee, you can complete an online self nomination form at [www.mta.maryland.gov/cct](http://www.mta.maryland.gov/cct), or you can fill out this self nomination form and submit it by mail, fax or email.
